A \$100 LICENSE TAX.

What Local Merchants Wish Imposed on Sample Agents. There was a meeting of merchants at

Shea's Hall last night to consider the question of a license tax on commercial agents. Among those present were Messrs. Horatio Browning, Samuel Bacon, F. P. May, Joseph B. Hill, W. B. Bartley, T. J. Meyer, J. L. Barbour, R. F. Baker, Bernard Thompson, Blandford, Moses, Weenis, Sloussa. Mr. Browning was made chairman and Mr. Bacon secretary. The chairman stated that the meeting was called to take action in regard to the bill before Congress to abolish the \$200 tax on Congress to abolish the \$200 tax on commercial agents in the District of Columbia. A general discussion followed, during which it was deemed unjust to allow foreign agents to come here and sell without a license, while merchants had to pay 1½ per cent. tax on their goods. Mr. Browning stated that there were only about forty-three licenses sold to agents while permits licenses sold to agents, while permits were issued to the number of 2,400. Another grievance of the merchants,

as stated by the chairman, was that a broker who takes out a license at \$200 is allowed to loan it out for a few days at a time for a consideration, and thus non-residents are enabled to work the town on an outlay of only a few dollars, thereby evading the law and the purpose for which it was enacted. He said that nearly every State in the Union had a law taxing non-resident agents and it would be an injustice to he trade in the District to allow everybody to come here and do busines without paying a tax while the local dealers are heavily taxed. The meeting decided to appoint the

following committee to urge the pas-sage of the bill imposing a tax of \$100 on all sample agents, local or foreign:
Messrs. E. G. Davis, J. L. Barbour,
P. H. Hill, Gus. Lansing, J. B. Hill,
F. P. May, T. J. Mayer, W. N. Dalton
and I. Saks. The committee was and I. Saks. The committee was authorized to add a clause to the bill providing that all persons who have paid their \$200 license tax for 1885 to 1886 shall be refunded the extra \$100 on the passage of the bill. The meeting then adjourned.

How Women Differ from Men. At least three men on the average jury are bound to disagree with the rest just to show that they've got minds of their own; but there is no disagreement among the women as to the merits of Dr. Pierce's "Favorite Prescription." They are all unanimous in pronouncing it the best remedy in the world for all those chronic diseases. diseases, weaknesses and complaints pe-culiar to their sex. It transforms the pale, haggard, dispirited woman into one of sparkling health, and the ringing laugh again "reigns supreme" in the happy house

Help for the Sewing Women. The sewing women of Washington find it difficult to make a living at present prices for their work, with the powerful competition of machine-made work to con-tend with, and have in contemplation the tend with, and have in contemplation for organization of a league or association for self-protection. It is a movement to which they state that they are actually forced by necessity, yet all they ask is to be paid a fair, living price for their work. In such a contest with starvation wages they are certainly entitled to the public sympathy.

A WOMAN'S

GRATITUDE.

I had used Dr. Pierce's 'Favorite Prescription' one week, I could walk all over the door-yard, and I could get into a wagon and ride two miles to see my neighbors. I had not been able to walk out in the door-yard for six months. After using the 'Favorite Prescription' two weeks, I rode in a wagon ten miles; my neighbors were all surprised to see me up and going about and helping to do my housework, after doctoring with thirteen of the best physicians we could get and the last one told my husband that I would never be able to do my housework any more. I am thankful to my God that I wrote to you, for I had suffered from 'Female Weakness' until I had almost given up in despair."

TERRIBLE PAIN.

Mrs. F. E. WILCOX, Friendship, N. F., writes:

"For five or six years I had been badly troubled with female weakness and terrible pains across the small of my back and pit of the stomach. Three bottles of Dr. Pierce's Favorite Prescription of the pre

MARVELOUS
BENEFITS.

"I wish, in this letter, to express my gratitude for Mrs. Davis and myself for the great good which has been accomplished in her case by the use of your proprietary medicines. When she began to take them, in January last, she could not endecould stay up only about thirty minutes at a time. Now she not only sits up almost the entire day, but can walk around, call on her neighbors, two and three blocks away, and not feel any injurious effects at all. When we consider that she had kept her bed the greater part of the time for four-teem months, and would lose repeatedly the advance she had made, her progress now seems anavelous. We had almost lost confidence in medical practitioners, and advertised remedical practicioners, and advertised remedical practicioners and advertised remedical practicioners. MARVELOUS

## TREATING THE WRONG DISEASE.

The protonged misery.

"Female Weakness" Cured.—Mrs. Saran A. Lovely, Greenfield, Addir Co., Jour., writes: R. V. Pirice, M. D. Dear Sir—"Having been ill a number of years, and having tried in vain almost every advertised remedy, as well as having paid nearly a hundred dollars to our local physicians, without benefit, I was finally induced to consult you. You advised me to send for your medicines. I accordingly sent for your 'Medical Advisor, six bottles of your 'Golden Medical Discovery, six of your 'Favorite Prescription,' and six vials of your 'Pleasant Purgative Pellets. When I first began using these I could not stand on my feet. In ninety days I could walk a mile, and do light housework; whilst in six months I was completely cured, and my health has remained perfect ever since. I recommend you and your melloines wherevor I go and loan your 'Advisor' to my friends. Two of our most prominent physicians who have read your great work 'The People's Common Sense Medical Advisor,' pronounce it the best family doctor book they have ever seen."

Mrs. V. H. Peterson, of Lockport, N. Y., had suffered for three years from "female weakness," was greatly emaciated and "all run down" as she expressed it, and Dr. Pierco's "Favorite Prescription" and "Golden Medical Discovery" promptly cured her, as they have thousands of

Mrs. E. F. Morgam, of Newcastle, Lincoln Co., Maine, says: "Five years ago I was a direndful uniform from uterine troubles. Having exhausted the skill of three physicians, I was completely discouraged, and so weak I could with difficulty cross the room alone. I began taking Dr. Pierce's 'Favorite Prescription' and using the local treatment recommended in his 'Common Sense Medical Adviser.' I commenced to improve at once. In three months I was perfectly cured, and have had no trouble since. I wrote a letter to my family paper, briedy mentioning how my health had been restored, and offering to send the full particulars to any one writing me for them, and inclosing a stamped envelope for reply. I have received over four hundred letters. In reply, I have described my case and the treatment used, and have earnestly advised them to 'do likewise.' From a great many I have received second letters of thanks, stating that they had commenced the use of 'Favorite Prescription,' had sent the \$1.50 required for the 'Medical Adviser,' and had applied the local treatment so fully and plainly laid down therein, and were much better already."

Mrs. Henry Patterson, of New York City, writes: "I had been under an eminent physician's care for eight months for what he sician's care for eight months for what he sician's care for eight months for what he provided in the sime, when, chancing to see a copy of a friend, I read that part devoted to 'Woman and her Diseases.' I soon became convinced that my disease was a uterine affection, which, as you say, caused sympathetic backache, inward fever, nervousness, and general debility. I commenced the use of Dr. Pierce's 'Favorite Prescription' and 'Golden Medical Diseavery, applying also the local treatment which he recommends in the Adviser, and in three months I was well and strong."

#### OVER-WORKED WOMEN.

For "worn-out," "run-down," debilitated school teachers, milliners, dress-makers, general housekeepers, and over-worked women generally, Dr. Pierce's Favorite Prescription is not a "Cure-all," but admirably fulfills a singleness of purpose, being a most potent Specific for all those Chronic Weaknesses and Discuses peculiar to women. It is a powerful, general as well as uterine, tonic and nervine, and imparts vigor and strength to the whole system. It promptly cures nausea and weakness of stomach, indigestion, bloating, cructations of gas, nervous prostruction, debility and sleeplessness, in either sex. "Favorite Prescription" is sold by druggists under our positive guarantee. For conditions, see wrapper around bottle. Price Beduced to \$1.00 per Bottle.

EVERY INVALID LADY should send for "The People's Common Sense Medical Adviser," in which over fifty page devoted to the consideration of diseases peculiar to women. Illustrated with num ous wood-cuts and colored plates. It will be gent, post-paid, to any address for \$1.50. A large pamphlet, treatise on Diseases Women, profusely illustrated with colored plates and numerous wood-cuts, will be sent for ten cents in postage stamps. # LIVER, BLOOD AND LUNG DISEASES.

LIVER

LIVER

G. W. Lotz, Trudhomme, La., writes: "For four years I suffered from liver complaint and attacks of billious fever; loss of appetite, nausea, constipation, sometimes diarrhea, pain in the back of the head, right side and under the shoulder-blades, fullness after eating, general debility, restless nights, tongue on Medical Discovery' and 'Pellets,' I find I am as well as I ever was.

A BAD
GASE.

SAMANTHA GAINES, Lockport, N. Y., writes: "For six or eight years previous to 1880, I had been troubled with a severe pain in the small of my back, also across my shoulder-blades, with considerable bloating of the stomach from wind; was so nervous at times to be the stomach from wind; was so nervous at times to be supported by my step-daughter, Mrs. Warner, of Olean, N. Y., to try the "Golden Medical Discovery." The effects were marvelous. After taking three bottles I was entirely cured."

B. L. Fisher, Sidney Plains, N. F., writes: "Dr. R. V. Pirinces, Buffalo, N. Y. Dear Sir—My wife suffered for several years from general debility. She had become a confirmed invalid. The physicians who attended her fulled to help her, and it seemed as if she must die. On reading one of your Memoran-ery' might help her. I procured a bottle, and, after its use, a change for the better was noticeable, and after using five bottles, she was a well woman. I have recommended it to several, and in every case, it has produced good results. I can never feel too grateful to you for the saving of my wife's life."

GIVEN UP Gist, of Huff Springs, Ala., writes: "Miss Eliza GLENN, of this place, had been sick for more than a year with a severe affection of the liver, but when she was at the lowest, she bought three bottles of "Golden Medical Discovery' from me, and, although before using the medicine she was given up to die by all the attending physicians, her father assures me that she has now fully recovered."

MALARIAL

"I have been troubled with symptoms of meliaria, with fever, for three years, but after using three bottles of your 'Golden Medical Discovery' and 'Pleasant Purgative Pellets,' I am happy to say feetly well and able to do my own work."

Wood, Taylor's Store, Vd., writes: "After many years of great suffering from the evils of dyspepsia, I was induced to try your Golden Medical Discovery and I cannot express the gratitude I feel for the great good it has done me. I do not suffer any pain from eating, and I enjoy life as well as anybody can wish."

Mrs. Curtis Bogue, West Enoshing, Vt., writes: "Two bottles of your 'Golden Medical Discovery 'cured my cough and chronic diarrhest. It has worked like a charm in my case, It is truly wonderful. I walked over a mile last week to recommend your medicines,"

ABSGESS OF LIVER.

Isaac Ginson, Kenwood, Pa., writes: "My wife is getting well fast. When she began to use your 'Golden Medical Discovery,' our best doctors in Indiana County said she would die. (They said your medicine would do her no good; that she had an uleer on her liver as large up phlegm for some two weeks, and then commenced spitting up carraption and blood (it looked like what comes out of a blood boil) for some ten days. She now has been well for weeks."

Boils and Carbuneles.— J. Adams, Esq., Toledo, Ohio, writes: "I have used nine bottles of your Golden Medical Discovery," and the result is I am to-day free from boils and carbuncles for the first time in many years." Constipation and Ulcers.—Mrs. A. D. Johnson, George-town, Ky., writes; "The Golden Medical Discovery' relieved me at once. I had a very bad sore on the back of my left hand for five months, and it cured that, as well as constipation and indiges-tion, from which I was suffering very much."

SCROFULOUS

Mrs. A. L. Cony, Hadley, Crawford Co., Kansaken down last January with swellings on his right shoulder, left hip and knee. He hay helpless for five months, when great abscesses formed, four of which continued to discharge under your advice. It rapidly builds up the system, and increases the fiesh and we "wasting diseases."

A Wonderful Cure.—Daniel Flercher, Esq., Gloucester, Mass., writes: "Nearly five years ago, I was taken sick with a disease regarding which the three physicians who attended me were unable to agree. One of the foremost physicians in Boston called it a tumor of the stomach, and treated me for that, nearly killing me with physic; another, a homeopachic physician, thought I had consumption. When taken sick, I weighed 157 pounds. I suffered from a heavy cough, night-sweats, kidney troubles, etc., and was reduced so rapidly that my physicians gave me up. They were unable to help me in the least. At that time I weighed but ninety pounds, and had not been able to lie down, but had to sit up in order to breathe. I had been confined to my room for six months, expecting to die. I was so bad at times that I could not talk; nor was I able to walk. I picked up one of your memorandum books on the floor of the hotel where I was boarding, and after reading it I began taking your 'Golden Medical Discovery,' and the first bottle brought me around so that I could walk around the room all day. I soon began to build up, and gained so rapidly that it astomished me. I have taken no other medicine since then, and have used perhaps twenty bottles in all of this medicine. I stopped taking it in August, one year ago. I feel that it has saved my life. I now weigh about 160 pounds, and I think, and my friends with me, that this medicine saved my life. It certainly is worth its weights in gold, and I consider it a wonderful remedy from its effect in curing all my silments.

Consumption Cured.—W. J. Harriey.

Vera Cruz, Ala., writes: "I met with an old friend of mine not long since, and he told me of the very low state of health he had been in and he applied to our best doctor, but gradually grew worse under his treatment; was reduced to a skeleton, had a fearful cough and was thought to have consumption. While in this low state he made a visit to see his relations, and while in a distant town, he purchased a bottle of medicine called, 'Dr. Pierce's Golden Medical Discovery,' and took it, and by the time it was used he was as well as he ever had been. When I saw him, he looked to be in the bloom of health. His statement caused a great deal of inquiry, as he is a man of high standing."

Joseph F. McFarland, Athens, Lt., writes:
"My wife had frequent bleeding from the lungs before she commenced using your 'Golden Medical Discovery'. She has not had any since its use. For some six months well that she has
